

A **Public Hearing** of Port District No. 1 of Grant County was held at the Port District office at 101 F Street SW on **September 27, 2023** for the Commissioners to discuss amending the Comprehensive plan and removal of Bishop Recreational area from the Industrial Development District.

Commissioner Morris opened the public meeting at 5:05 pm. There were several comments from the public asking about why the Bishop Recreation area will be removed from the Industrial Development District. Additional comments were made from the public stating that Fish and wildlife might be interested in the land given that they have acquired 159 acres near Frenchman Coulee. Commissioner Morris answered their questions stating that the Bishop Recreation area needs to be removed from Industrial Development District so that the property can be sold as surplus, and the sell price can be established by the port and not from appraisals required if left in the Industrial Development District. Commissioner Morris wants to keep the vision of the original plans for Bishop Recreational Area and a partnership with fish and wildlife would be ideal. Present were Commissioner Kuest, Commissioner Connelly, Commissioner Morris, Dahlia De La Rosa, Darci Kleyn, Valeria Ramirez, Dave Bishop, Gabe Porter, Steve Rosario, Karen Rosario, Anthony Leibelt, Angela Mansfield, Garret Valey, Cheryl Schweiter, Dan Couture. On the phone: Sonia Padron.

Upon motion by Commissioner Connelly, Seconded by Commissioner Kuest, Resolution 2023-10 was approved

The meeting was adjourned at 5:15 pm.
